Introduction

- 1 This document sets out how the Auditor General will introduce the new three-year programme for the audit of community and town councils. It should be read alongside the Auditor General's October 2020 document, Future Audit Arrangements for Community and Town Councils in Wales.
- 2 This can be found on [our website](#).
- 3 The document lists all councils in Wales indicates when the new transaction-based audits will be undertaken at individual councils. For ease of reference, councils are listed by unitary authority area.
- 4 The term basic audit means the limited procedures described in the October 2020 document. The term full audit refers to the new audit procedure that involves detailed testing of transactions.
- 5 Councils who wish to identify the potential audit fees for the purpose of budget setting for 2021-22 should also refer to the Audit Wales Fee Scheme for 2021-22.
