Subject: RE: Community Councils - Wellbeing Assessment Engagement - 6.00pm 27th October 2021

Hi Ceri

All the town/community councils were sent the dates for the community engagement meetings we have been holding before the summer recess. All these community meetings have now taken place and this is an additional date we have arranged specifically for town/community councils. Unfortunately this is the only date we have available. Should Gelligaer Community Council wish to input into the current stage of the engagement, the questions that will be discussed during the session will be as follows:

Q1 What is special/good about your community/where you live?

Q2 What would make it a better place?

Q3 What things are important to you and your family? e.g. places, services, facilities, community groups/activities, how safe do you feel in your community.

Q4 How can we support and care for older people in the future?

Q5 What would you like your community to look like in the future?

Q6 How could your community work with us to make that happen?

If you wish to provide feedback on these questions we would be more than happy to incorporate them. There will be further opportunities to comment on the Draft Well-being Assessment towards the end of the year.

Kind regards

Vicki Doyle
