## PETITION TO KEEP THE COMMUNITIES OF BEDWAS, TRETHOMAS AND MACHEN, CAERPHILLY, THE ABER VALLEY, LLANBRADACH, YSTRAD MYNACH, ST CATWG, AND HENGOED, TOGETHER WITHIN A PARLIAMENTARY CONSTITUENCY

We the undersigned residents of the present Caerphilly constituency ask the Boundary Commission for Wales to re-consider their initial proposals and to keep our communities together.

The natural topography of the valleys has created a strong bond and a "community of interest" which should be respected.

We therefore urge you to consider keeping the lower and middle Rhymney Valley together and linking Newport to its natural valley hinterland.
