Subject: Marie Curie Great Daffodil Appeal 2024

Dear Ceri

Every day of your life matters – from the first to the last. When you're living with a terminal illness, you feel that more than ever. The right care and support at the right time can make all the difference.

Whether it's terminal cancer or any other illness, we at Marie Curie want people to be able to get the most from the time they have left.

Our Marie Curie Nurses work night and day, in people's homes across this community, providing hands-on care and vital emotional support.

Unfortunately, one in four people don't get the care and support they need at the end of their lives. We don't think that's good enough. The things people need aren't too much to ask; high quality care in the place they want to be, control of symptoms like pain and clear information from the start. So that, even at such a difficult, emotional time, people can feel in control. That's what Marie Curie has been giving people across the UK for 75 years, through our Marie Curie nurses, our hospice and other services, including bereavement support and providing information on end of life care.

We urgently need your support to make that possible, and wonder if **Llanbradach and Pwllypant Community Council** might consider making a financial donation to our annual Great Daffodil Appeal, which raises vital funds to support our local services.

All money donated supports the local Marie Curie nurses, the Marie Curie Cardiff & the Vale Hospice, and local services in your area, so you can rest assured that in your community patients and families will directly benefit from your gift.

Kind Regards

Claire Phillips
