Subject: Consultation on Review of Statement of Policy Licensing Act 2003

Dear Sir / Madam

The Licensing Act 2003 requires that the Licensing Authority consults every 5 years in relation to its Statement of Licensing Policy.

The statement of licensing policy aims to secure public safety, protect children from harm, prevent public nuisance and prevent crime and disorder whilst encouraging a sustainable leisure and entertainment industry.

The Licensing Act 2003 requires that Licensing Authorities publish a Statement of Licensing Policy which sets out the various factors that they will take into account and consider in the administration and determination of applications made under the Licensing Act in relation to the promotion of the Licensing Objectives.

Below are some of the proposed amendments to the existing policy:

- An update on alcohol harm provided by Public Health.
- Updated reference to Licensing hours
- Promoting Personal Safety / Promotion of Safe Space / Ask for Angela schemes
- An update to role of the Home Office as a Responsible Authority.
- Reference to participation in PubWatch schemes
- Reference to expectations of applicants / licence holders in respect of Martyn's Law.
- Updated reference to the Designated Premises Supervisor
- Updated reference to alcohol delivery
- Reference to Shadow licences
- Reference to Large Scale events
- An update in respect of Annual fees

I would therefore formally seek to inform you of the consultation in relation to Caerphilly CBC Revised Statement of Licensing Policy. The Consultation end date is the 11th August 2025. You can make comments on the revised Statement of Licensing policy by completing the following survey
