Good Afternoon Ceri

I hope this email finds you well.

Thank you so much for your email and I apologise for the delay in replying.

I can confirm that we do have 10 children in the Caerphilly Borough area active on our books.

I hope this helps our application and if you need anything else, please do ask.

Best wishes

Caroline

Dear Caroline

Thank you for your letter and Amber's story.

I will present your letter at our next meeting in September following the August recess.

I was wondering if you had any statistics for the Caerphilly borough, that I could present to the members at the same time.

I look forward to hearing from you.

Cofion cynnes / Warm regards

Ceri

You don't often get email from carolined@cerebralpalsycymru.org. [Learn why this is important](#)

Good Morning Clerk to the Council

I hope this email finds you and the members well.

This year, for the first time, we're sending our annual Council appeal by email, and we're delighted to share it with you.

Please find attached bi-lingual appeal letter and we have also included Amber's story, which highlights the real difference your support can make to children and families living with cerebral palsy.

We hope you will take a few moments to read the attached and consider supporting our appeal this year. Every contribution helps us continue providing vital services and opportunities for children and families across Wales.

Thank you for your time, consideration, and continued support, it is very much appreciated. If you have any questions or would like to find out more about our work, please do not hesitate to get in touch.

Best wishes

Caroline
